Ms. Lilly said as of now they would be used by all. The Lilly's are currently using the first-floor apartment. Ms. Kessin also asked if the parking lot would be reconfigured, and Ms. Lilly said no. Mike Halloran said that they meet all the criteria for a 2-family dwelling section 3.05E. except they would usually have painted lines in the driveway, but Mike Halloran does not think that would be necessary.

Mr. Halloran said that the Fire Marshall does not have any oversight on two family houses, only three family and more. Ms. Lilly said that the Fire Marshall has inspected the building a few times. She also said that they installed brand new smoke and co2 detectors. Ms. Kessin wanted to state the importance of people being able to get out of a second floor easily. Mr. Halloran said that there were no written correspondences.
