Guest: Avice Meehan

Libby called the meeting to order at 6:01 pm and thanked everyone for attending.

The August minutes were approved unanimously.

Libby and George, with the help of Collin Stothart who works at Boyce Nemec Designs have created a map of City Meadow dividing it into segments to better communicate with Jess and Beth and focus on what needs to be done in each section. Members of the committee were encouraged to walk the Meadow with the map to help the committee decide on goals for each section.

George said that Pete Anderson, Doreen Kelly and Walter Godlewski (chairs of the sculpture committee), George and Libby will be meeting with Robert Adzema on Wednesday to discuss the possibility of a sun dial in the meadow.

Martina handed out a detailed draft of possibilities our website might feature.

Martyn plans to resign from the committee as he has become president of the NVFD but he will try to find a replacement.

There being no further business, the meeting was adjourned at 6:40.
